BERLINERS MEET ON FOLLOW UP TO BOURGAS CONGRESS

We´d like to inform you about a meeting of the Berlin Bourgas Congress participants that took place on June 3rd at our school. (See the enclosed photograph)

Here we recalled our experiences in Bulgaria and came to the conclusions that ...- the congress was a great success,

- we all were deeply impressed by the hospitality and the professional organization there.
- we all felt motivated to take ongoing steps to continue what was started in Bourgas. doing.

As another result we decided to organize regular meetings within the Berlin PL project schools.

All our best regards to you Bodo and Erhard
