## Youth Congress

27th February to 4th March 2017

Paris, France

Dear Madam, dear Sir, dear colleagues, dear pupils,

We are pleased to invite you to attend at the 10th Youth Congress.

We are delighted to welcome you to Paris - the most beautiful city in the world.

This Youth Congress was prepared by young Europeans, for young Europeans.

The Youth Congress will allow the participants to discuss educational policies and practices of non-formal education = PL.

From February 27th to March 4, 2017, our students coming from different parts of Europe will get together and share activities, furthermore debate on the theme of European Identity.

Through this project students will learn about the different cultures existing in Europe, they will develop their sense of initiative, responsibility and autonomy.

The project will be an opportunity to validate the skills YOUTHPASS 2.

Here is some important information about the Yout Congress:
